Twice Weekly Sale Continues Popular With Steady Calls

With a total sale on Monday of 1200 cattle for a total of \$48,721 and one on Wednesday of 250 head for a total of \$14,793, with "good" grade steers bringing \$20.75 and commercial going from 16.75 to 20.00.

There seems to be a trend during the past three sales for a lowering of prices for stocker cattle, although the demand is steady.

Slaughterers are holding their own.

There is still a shortage of calves for the Wednesday sale.

Sale of Monday, May 24, 1954

July One Election Day For Addition Into City Limits

Ten land owners, six freeholders and four others signed a petition to the City Commission and presented it on Wednesday night for admission into the City limits.

July first was set as election day when both the freeholders within the City and those in the area would vote on the issue. The lack of a majority of affirmative votes in either place would kill the measure.

In the City's campaign to clean up unsafe, unhealthy and unsightly buildings and conditions one owner had a number

of buildings to come under the prescribed rules and regulations which require complete demolition. The owner received a permit to move the buildings and plans were afoot to carry them (Continue on Page Four)

ORGANIZATIONAL MEETING HELD

Meeting with the Legion Baseball Committee at the Legion Hall Wednesday night were eighteen youths, who signed up for tryouts for the team.

VEGETABLE BROKERAGE
AFTER 28 YEARS HERE

MAX E. BEVERLY, originally from Ochlocknee, Georgia, but for the past twenty-eight years a retiree broker of vegetables in the area, has announced his active return from the business.

Coming to the Glades shortly after the 28 hurricane hit, his operation is being taken over by Beverly's Incorporated, a firm composed of A. D. Beverly, C. S. Davis, E. M. Matthews, Hugh Branch and Jake Fritte.

"I have no definite plans," says Mr. Beverly, "but expect to be in the Glades."

Civil defense workers in Florida now total 72,985, according to a recent report prepared by the Civil Defense Director Col. Howie to Acting Governor Jones. Howie stated this represents only about 25 percent of those actually needed.

Farrington Takes Both Counties In Township Race

Despite desperate work on the part of the entrenched and organized politicians Senator Johns who became Acting Governor under the Florida Constitution, failed to make the grade for the two-year incomplete term of the late Governor Dan McAlary.

Because of the door-bell ringing of men and women of the Glades, the former Speaker of the House, B. Elliott was relieved of his ten-year service by the voters of the county.

Ownership of public office is disturbed by the voters when they are convinced that special interests, and privileged friends overshadow the interest of the ordinary fellow.

Political authority becomes more permanent in its resting place if accompanied by honesty, humility, respect, and a choice of friendship.

Corn And Celery Still Moving With Lowering Prices

With a price barely paying out, but just enough to keep the farmer hoping to get a break with a sale or two at a profit, the Glades shipped 250 cars by rail during the past week.

Reports are that this week will see the finish of the corn deal generally in the Glades.

Corn Thursday was bringing \$1.15 to \$1.25 with perfect pack of closely graded corn.

Celery will be cut in the Glades until the last week in June, according to reports if the price allows cutting.

Pioneer Growers has close to 300 acres yet to harvest, and a few other fields are scattered around.

LEGION AUXILIARY BOWMANS KOREAN FOUNDATION FUND

The American Legion Auxiliary held its regular meeting Monday night, May 24 at the Legion Hall. There were 14 members present and two guests, Marjorie Tate and Katherine Dean.

June 14 is Flag Day, in cooperation with the American Legion and Auxiliary the Country Club Cleaners and the Glades Dry Cleaners will dry clean any American Flag, regardless of its condition, on the 1st and 2nd of June, absolutely free of charge if you will display a clean color of the American Emblem of Freedom.

In accordance with the request of President Eisenhower, the U. S. is endorsing the American Korean Foundation, the local American Legion Auxiliary is about to send a student to medical college for 4 years. \$100.00 will furnish an artificial limb and training to make the amputee self-supporting. That only \$4.00 will send a child to school for an entire year? That \$1.00 will maintain a hospital bed for a day? And that mere 50 cents will furnish one Korean orphan complete care for a day? The answer is yes when our members solicit your donations.

All Legionnaires and Auxiliary members that can possibly do so are requested to meet at the Legion Hall at 5 o'clock, Monday, June 5th, to attend a Singing Party, jointly sponsored by the Post and Unit, at the Pratt General Hospital at Coral Gables, Florida.

Joint installation of the new officers will take place at the Legion Hall on June 5th.

Hostesses of the evening were Mrs. Anderson and Mrs. Johnson.

PREINDUCTION CALL FOR JUNE

The Preinduction call for five registrants from this area is scheduled for June 3, 1954.

Two transfers will also board the bus for Miami, Florida to take their preinduction physicals after first reporting to Local Board No. 148, 365 S. Main St., Belle Glade, Florida, on the date above mentioned.

St. B. F. Quinn, Local Board Clerk announces that the Local Board Office will be closed all day Monday, May 31, in observance of Memorial Day.

By ROBERT W. McKAY, Contest Manager
Booming along on a wave of enthusiasm, added impetus being given by the ONE and ONLY extra vote offer of the entire contest in effect this week — as more fully outlined in the announcement elsewhere in this issue — The Belle Glade Herald's big "Everybody Wins" prize subscription contest is rapidly accumulating large proportions.

POST OFFICE CLOSED MONDAY, MAY 31

The local Post Office will be closed all day Monday in observance of Memorial Day which falls on Sunday, according to George P. Farnall, postmaster.

Mail service will be as usual but no delivery will be made.

Elsewhere on this page will be found the second relative standing of contestants. Next tabulation will appear in next Friday's issue of the Herald—at which time it should be the aim of every serious contender for major awards to make the best possible showing, for it is a well known fact people everywhere like to "bet" on a winner.

Nowhere is this more true than right here and now in this greatest of all local prize contests. Nowhere, it might be said in passing, is self-confidence on the part of potential major prize winners more essential — or self-reliance more to be desired than in a competition of this kind where prizes of such value are to be awarded the more successful leaders.

It is entirely too early in the game to evaluate the possibilities of the various contestants. Entrants are just now getting into their stride and it will be another week before the results of their efforts can be used as a barometer of their potentiality for commanding positions in the race.

Guard Army Site Lease Presented To City Commission

Lt. John H. Cromartie, Commanding Officer of the Glades Guard Unit—"Co. E" 211th Infantry—and also representing the Jaycees as Chairman of the Army Committee, presented to the City Council of Belle Glade on Wednesday night, a copy of the recently negotiated lease between the City of Belle Glade and the State Army Board of Florida. This involves the tract of land recently purchased by the city for the Army site. Lt. Cromartie announced at this time that the Federal appropriation of \$144,000 has been granted for the Glades Army to be situated one-half mile south of Belle Glade. Funds from state and Federal level will become available after the beginning of fiscal year 1955. The construction of the Army should begin soon after the appropriated funds are made available.

The Army building will be available for rent, to civic and other organizations in the Glades area, although it is presently being constructed for the housing and training of National Guardsmen from this area.

The National Guard offers many opportunities to young men of the Glades and would be a great asset in time of emergency in the Glades. All young men between the ages of 17 and 18 years and parents, are invited to attend the meetings as a visitor or to see for themselves the fine training made available to them. Company "E" at present has a total of 73 members and about ten potential members between now and camp. The Unit (Continued on Page Two)

Subscription List Grows

We welcome the ever-growing number of new subscribers being added to our list, and also thank the many regular readers who are taking full advantage of this money-saving opportunity to renew their subscriptions to the special reduced long term rates now in effect.

Participants in our contest are, without exception, meeting with gratifying success on every hand in their quest for new and renewal subscriptions (the points issued on each prepaid subscription means, of course, the winning votes for them) and this newspaper appreciates the wholesome response to the contest by the people of this area, and elsewhere, to the subscription drive.

The encouragement thus extended this fine group of ambitious contenders for high honors and attendant awards — headed by that beautiful new 1954 Chevrolet "Bel-Air" automobile, worth exactly \$20,000 — spells SUCCESS in large capitals. (Continued on Page Two)

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store in the *Clarion* last week. One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$12.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I replied, "Let 'em go!" All kinds of jokes about the mistake. One fellow asked if Smith was holding the price like a tight fist just engaged. Turned out fine in the end—Red

for 12,500 EXTRA votes will be issued in addition to the 25,000 REGULAR votes given on each and every 4-year "full-time" subscription, or extension of previous shorter term contest subscription received before the contest. Just a small hand full of such subscriptions could make any contestant a very important factor in this race and every 4-year "full-time" subscription winner of one of the biggest and best prizes.

NOW, is the time, therefore, for all contestants to get "all out" for their favorite and best "over the top" in a BIG way while votes on both new and renewal subscriptions COUNT MOST!

Kilgore starter Mike Challancin and relief pitcher, Fred Peterson, allowed the Jaycees only one hit in the five inning affair. Walter Ashley was the only batter to collect two hits and Gary Perkins was the only batter to get an extra base knock, a first inning double.

Charles Royal effectively stifled the Elks scoring efforts as Pioneer batters hit safely 7 times. The first hit was a double by Charles Royal, who scored the first run of the ball game minutes later when he was driven in by Eddie Lively's single. Pioneer sent 45 batters to the plate. Elks Jerry McKee received the only hit, a single, for his team.

The Growl took another step toward the league championship behind the three hit hurling of Jimmy Webster. Heavy hitting by Richmond Shackford, three singles, and by Charles Royal, two doubles, and a single kept a stream of runners coming in.

The Seedmen threatened only in the 6th and 7th innings. Petie Kirkman started for Kilgore, but retired in favor of Gary Perkins in the third inning.

Jaycees 17 — Elks 2
Gaining strength as the night progressed, the Jaycees trounced the Elks by the largest margin of the season to go into a tie for the top slot in league play.

Jerry McKee went the distance for the Elks and did a creditable job with frequent errors by teammates sending runs across the plate. The big blow of the game was a home run by Morgan Tyson. Tommy Johnson rapped a 6th inning double to add to the massacre. Johnny pitched all the way and gave up Elks hit to Johnny Thomas, area-armed pitcher filling the short stop position. Thomas had a 2nd inning triple and a single.

Discussing Building Plans For St. John The Apostle Church

Rev. Martin J. Brann, 120, southern bishop of South Florida, seated, second from left, discussed plans for starting a building program for St. John the Apostle Episcopal Church. Seated next to him are Very Rev. Douglas Matthews, R. M. Livy, standing, Dr. G. R. Townsend and the Rev. John Clarence Peter, vicar.

LAWNS TOPIC AT HD CLUB MEET
"Lawns" was the topic of Miss Sara Horton, county Home Demonstration agent, at the regular meeting of the local club Thursday afternoon at the Woman's Club Building.

She told the group about the proper care and maintenance of lawns and discussed how to keep lawns trim and attractive.

Mrs. E. O. Gangstad, hostess served refreshments to Miss Horton, Mrs. Della Altman, Mrs. Clara Gledhill, Mrs. R. W. Kidder, Mrs. W. R. Hooker, Mrs. Richard, Mrs. Joe Friedheim.

The next meeting on Thursday, June 17 will be the final one until September.

LAKE HARBOR PTA HAM DINNER WEDNESDAY NITE
The ladies of the Lake Harbor School have decided that the Cafeteria needs a deep freeze and have set about in their usual energetic way to get it.

Boistered by the belief that self-help is a strong point in this endeavor, they are offering to the public a HAM DINNER next Wednesday night from six to nine o'clock for One Buck apiece.

You will most likely get two bucks worth of food if you are hungry and the ladies will thank you.

If you're asked to buy a ticket, get a couple or more extra ones and give them away, for you're helping a group to help themselves.

Since it was discovered in 1948, Florida's Sunland oil field in Collier County, (12 wells), has produced a total of 3,307,753 barrels of oil.

Miss Jeannette Hobby and Leon Earl Messer were united in marriage Friday night at 7:15 at the home of the bride's parents, Mr. and Mrs. Hobby, 142 N. E. 1st St., with the Rev. Joe G. Clements, pastor of the Canal Point Baptist Church.

NEWS VIEWS

By E. D. and DEBO

It seems that one of the most difficult things in the world to do is to make a statement without hurting someone's feelings. The world is becoming as sensitive as a policeman's arches in wet weather. The other day Governor Dewey of New York commented that if everybody in the state would drink an extra glass of milk a day there would be no milk surplus problem.

The Governor should have quit when he was ahead . . . but he went on to state that the extra flag-on of milk would be healthier and cheaper than an extra transfusion of coffee. This sparked an international kick-back. Both Colombia and Brazil teed off on Mr. Dewey. They claimed he was undermining foreign relations by attacking coffee. Looks like even coffee can be grounds for hot comment.

It seems that a fellow named Gary Crosby is filling in as a summer replacement for Papa Bing when Dad takes a vacation from his radio show. Makes you feel kind of old, doesn't it? Nothing like getting out in the sun to make you feel young again . . . but be sure you have skin protection. You don't want to be against too much sun. You'll find a choice of sun tan oils and lotions — as well as cooling preparations for relief of sunburn — at our big toiletries and cosmetic counter, at GLADES DRUG STORE.

performing the service, in the presence of relatives and close friends.

The bride wore a light blue lace sheath dress trimmed with white pearls scattered over the entire dress. Her shoulder-length veil of net was held in place by an open crown headpiece. She held a white prayer book, and wore a white orchid corsage.

Miss Johnny Lowry was the bride's maid of honor. She wore a yellow dotted Swiss princess style dress with white accessories. Ernest Messer was his son's best man.

Miss Hobby graduated from Belle Glade High School with the class of '52 and is associated with the Florida National Bank.

Mr. Messer is a graduate of LaBelle High School and served three years with the Coast Guard. He is an employee of Zenke Smith Dragline Co. in Pompano.

Immediately after the reception the couple left for a brief honeymoon. They are residing in Belle Glade.

NAMED ASSISTANT TO
DEAN AT EMORY UNIV.

James M. Wall, senior theology student at Emory University, has been appointed assistant to dean of students E. H. Rees. Wall will begin his new duties next fall, according to Dean Rees. He will work mainly with student organizations and activities, and later will assist in teaching courses in Bible.

The theology student is a member of the university and theology school student council, a member of the student development committee, and has worked part-time in university public information and as an assistant to Webb Garrison, assistant dean of the Emory theology school.

A graduate of Emory, and a former employee of the Atlanta Journal, Wall was an outstanding undergraduate student. He was editor of the Emory Wheel, student weekly, a member of Omicron Beta Kappa leadership society, Sigma Delta Chi journalism honor society, and Alpha Tau Omega.

Wall is the son of Mr. and Mrs. L. D. Wall of Monroe, Ga. His wife is the former Miss Mary Eleanor Kidder of Belle Glade, Fla. Mr. Wall is director of religious education at Decatur, Ga. First Methodist Church, Mr. and Mrs. Wall make their home at 1151 Ridgewood Dr., N. E., Atlanta.

Miss Mary Evelyn Hollady Weds Mr. Whitehead in Church Rites

In a candle light ceremony last Tuesday night, May 18, at 7:30 o'clock, Miss Mary Evelyn Hollady, daughter of Rev. and Mrs. E. Hollady, and Robert Malor Whitehead, son of Mr. and Mrs. Culbreath Whitehead were united in marriage at the First Methodist Church in Bradenton.

The wedding vows were read by the bride's father, Rev. Hollady assisted by her brother, Rev. Austin E. Hollady of Tallahassee, in a setting of palms with a center arrangement of white gladioli and chrysanthemums flanked by four seven-branched candelabra holding lighter, Cathedral tapers. Pews were marked with white satin ribbon and white gladioli.

A program of musical music was presented by Mrs. D. C. Walden, of Plant City, organist, Miss Patsy Chapman, vocalist, and Mrs. Austin E. Hollady of Tallahassee, violinist. Miss Chapman sang "Days of Golden Promises," "Oh Perfect Love," and "Bridal Prayer."

The bride given in marriage by her father, wore a wedding gown of white organza over taffeta, strapless with a fitted bodice featuring pleated folds which ended in a point at the waistline. A bolero, embellished with scalloped rows of imported French lace and appliqued butterflies, was closed with tiny covered buttons. The bride carried a length veil of sheer illusion was held in place by a tulle made of petals of net covered with seed pearls and sequins. She carried a bridal bouquet centered with a white orchid and showered with stephanotis and white satin ribbon.

Miss Joanne Hollady was her sister's maid of honor, and her attendants were Mrs. Thomas P. Owens, Mrs. Austin Hollady, Miss Peggy Sparkman of Bradenton.

They wore ballerina gowns in pastel shades of organza over taffeta, fashioned with full skirts and fitted bodices, featuring sweetheart necklines overlaid with folds of shirred organza. They wore caps of matching organza. Miss Hollady carried a bouquet of blue iris and the other attendants held bouquets of yellow carnations.

Immediately following the ceremony, a reception was held in the church parlor. Mrs. Hollady, mother of the bride, wore a gown made of rose Chantilly lace bodice, trimmed with sequins, and a skirt of chiffon. Her matching cap and gloves were rose and an orchid corsage.

The groom's mother chose a gown of blue nylon tulle over taffeta, with accessories of blue and an orchid corsage.

The bride's table was laid with a cut work linen cloth and centered with a tiered wedding cake. An arrangement of gardenias and white tapers in silver completed the appointments.

The couple left on a honeymoon trip to Florida beaches. The bride chose as her traveling outfit an aqua spring suit with white accessories and orchid corsage.

On their return the couple will reside at 2405 Twenties Avenue, W.

Guests from Belle Glade were Mrs. R. V. Allison and Mrs. Clara Gledhill.

make possible the purchase of needed equipment by the winning classes.

ANNUAL DISTRICT CPA ELECTION IS HELD

The East Coast Chapter of The Florida Institute of Certified Public Accountants held their annual election meeting at the Colonnade Hotel Wednesday, May 19. Succeeding W. B. Rhodes of Belle Glade as president of the chapter was Hilary Himes of West Palm Beach.

Other elected officers were Cecil Blake, Vice President, Harry Sillet, Treasurer, and John Kirkton, Secretary.

Mr. Rhodes expressed his appreciation to the members of the chapter for the fine cooperation he had received during his tenure of office.

Members planning to attend the state convention to be held at Redding Beach, June 3, 4 and 5 were: W. B. Rhodes, Hilary Himes, J. P. Cochran, Jr. and John Kirkton.

JOE FRIEDHEIM JUDGING TEAM—INTERSTATE MATCH

In competition with nine other teams, the University of Florida livestock judging team won first place in beef cattle judging and second in total points in recent Southeastern Intercollegiate Livestock Judging Contest at the University of Kentucky at Lexington.

Dr. A. M. Pearson, College of Agriculture animal husbandry professor and coach of the Florida team, reports that the team scored 1,790 out of a possible 2,000 point to win beef cattle judging.

For the entire contest—judging of all kinds of livestock—Florida amassed a total of 4,235 points and was second only to Mississippi State College, which scored a total of 4,241 points.

Robert B. Christmas, Cottondale, of the Florida team placed third for the entire contest, and his teammate, Leland C. Thomas, Marianna, placed second in sheep judging and seventh for the entire contest. Another Florida man, Gene Bingham, Hollywood, placed fourth among all alternates.

Other members of the Florida team are Joe Friedheim, Belle Glade; Robert Davis, Dunedin; Charles Harman, Titus, Ga.; and Rex Gilbreath, Tampa.

Teams besides Florida and Mississippi State in the contest were Kentucky, Southwestern Louisiana, Tennessee, Auburn, Louisiana State, West Virginia, and Georgia. Eighty-four contestants competed.

RABIN TELLS ROTARIANS THAT THE GRAVY IN THE CORN DEAL IS OVER

"Though we grow the finest corn offered on the American market, the gravy in the corn deal is over, I'm afraid," Harold Rabin told Rotarians Friday.

After outlining the growth of the acreage in the Glades since the first commercial crop eight or nine years ago, Mr. Rabin pointed out that the attractiveness of the quality corn grown in the Glades has caused other areas to get into the picture heavily.

"This so much so," he continued "that the public now has sweet corn before them continuously, and our spring corn is not a luxury crop any longer."

The Pompano, Homestead, and Ft. Myers areas bring in corn before our earliest get going on the market, so that the buying public no longer hungers for sweet corn when ours is available."

Mr. Rabin estimated that somewhere around 25 to 30,000 acres of corn were planted this spring in the Glades.

"My Home Town—Belle Glade" the picture recently made here was shown to the Club following Mr. Rabin's remarks.

ENTRENCHED POLITICOES (Continued from Page 1) is trying to attain a total strength of 100 men and 5 officers. There are many vacancies in the Unit that could easily be filled by eligible young men in the Glades area. Both veterans and non-veterans are badly needed. At present, Co. "F" is preparing to go to Ft. McClellan, Alabama, for two weeks of intensive training. Last year, Co. "E" was superior to other units in many ways and they hope to improve this year with the increased strength of the unit. Qualified Crew-Served Weapons personnel have been few in number due to the fact that there is not a sufficient amount of time available on drill nights to qualify these men. However, there is a sharp increase in the number qualified due to the fact that the men assigned to these crew-served weapons have been serving their time without pay to further their training and qualify themselves.

ENTRENCHED POLITICOES (Continued from Page One) eight Glades precincts and tied one; Roberts carried five of the eight. Collins received a total of 1520 votes in the Glades with Johns receiving 1306; Elliott received 1455 votes to Roberts' 1359 in the eight Glades precincts.

Elliott carried thirteen precincts in the County out of 58, and in many there was a difference of only one or two votes; there were many with a difference of less than ten votes.

WASHINGTON NEWS LETTER

From

A four point program to stem the threat of Communism in the Western Hemisphere and insure our national security seems inspired by recent developments throughout the world. The development of a Communist-inspired crisis in Central America certainly should convince us that we have no time to lose. Here is the formula I am offering for consideration:

1. Universal Military Training: If—and when—the Communists strike us with modern weapons, undoubtedly crippling our production and training, we must fight with our "Force In Being." First consideration must be that we will face the necessity for instant retaliation with what we have. We should train all of our manpower in the democratic way, NOW.

2. Standby Economic Controls: Inflation cost us \$100 billions in World War II. \$40 billions in the Korean War. Controls are not in our peacetime picture, but we should be ready to put a program into effect in case of war before inflation starts.

3. Outlaw Communism: We will protect the constitutional liberties of all of us by recognizing a crime and outlawing the criminals. We need a legal "stand-by" basis for legally and properly fighting communists as enemies of our society.

4. Unity Western Hemisphere: While encouraging our allies wherever they may be, we need to heed every effort now to fashion a new Western Hemisphere Alliance direct more point efforts to develop the natural resources of the Americas, reinforce efforts, a mutual defense program, and reinforce our mutual trade and aid activities. Such a united front program in our hemisphere well may be the key to peace, happiness, and prosperity throughout the Free World.

Working On The Tax Bill

One of the highest compliments paid me was in my selection by Senator George, leading Democrat on the Finance Committee, to serve on that committee; this committee handles legislation on social security, taxes and similar matters and it is interesting though tedious work. We are now working nearly all day every day on the 875-page tax bill passed earlier by the House.

Highway Patrol Will Check Your Car Free

A state trooper will be at court houses or highway patrol stations in each of the state's 67 counties in May to give safety check stickers to Florida motorists.

May is the month in which motorists are encouraged to have their auto safety-checked at their local auto dealer's service department to put vehicles in better summer driving conditions.

The May Safety-Check is nationwide and is one in which all auto dealers participate by giving check services free. Those whose autos pass the check, can then get stickers

showing that they have completed this important job by calling on a trooper at the Court House or at a Patrol station in their locality.

Comdr. H. N. Kirkman pointed out that while the safety-check is compulsory in some states, it is voluntary in Florida, but in the past, records show, the turnout of motorists for the voluntary inspection has been outstanding in this state.

The May Safety-Check consists of seeing that such vital parts of the auto as the horn,

windshield wipers, rear and front lights, steering gear, brakes and similar mechanisms are in good working order.

Many lives will be saved on Florida highways this summer by those who attend to the simple matter of seeing to it that their auto is in travel order," declared Kirkman. "It only takes a few minutes to have your auto checked for safer driving for you, your family and others, and it is such an important factor in saving lives — do it today, please."

Live wire that really looks it

(The reason why Buick is such a big success this year!)

Its sports-car lines tell you there's lift and spirit here enough for any man.

Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the liveliest of the live wires — the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising, a breeze on hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it — the highest-powered car at its price in the land.

With this great-powered good-

looker setting the pace — and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement — is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"? Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.

ST. JOHN'S CHURCH HAVE CONFIRMATION

Saturday night in a colorful though simple ceremonial, the Rt. Rev. Martin J. Bram, D.D., Suffragan Bishop of the diocese of South Florida, confirmed the second class to be prepared by Father Petrie since the initiation of Episcopal services in Belle Glade last September. Those confirmed were Mrs. A. Durance, Mrs. R. J. Faulk, Mrs. George Moore, Miss Marilyn Matthews, Mrs. W. A. Wooten, Jr. The class received Holy Communion in a body on Sunday morning. St. Elizabeth's Church also made its corporate Communion at the same service, being in the occasion of the presentation of the United Church Offering for the missionary work of the Church.

Next Sunday at the Holy Communion service Father Petrie will deliver a Memorial Day sermon, "These Honored Dead".

MRS. BALL REVIEWS STUDY BOOK AT JOINT CIRCLE MEET

Mrs. James Ball, Jr., gave a review on the study book, "Alcohol and Christian Responsibility" by Clifford Earle at the joint meeting of Mary-Martha and Ruth Naomi Circles of the Community Methodist Church Thursday morning at the church.

The meeting opened at 10:00 a. m. and the members brought sandwiches. Mrs. E. M. Van Landingham and Mrs. George Farnall served drinks. Mrs. Clara Gledhill gave the devotion, "Paul Before Agrippa". Others present were: Mrs. Ivan Van Horn, Mrs. Herbert Beck, Mrs. R. W. Kidder, Mrs. D. W. Harris, Mrs. M. M. Sabiston, and Mrs. W. R. Hooker.

FOR OR AGAINST

Are you for or against? Not anything special, but are you for or against as a general principle or as a characteristic attitude? Some people are always for things. Others are always against things. It takes both kinds to make a world, and there are unimpaired both kinds in the Church.

It is evident that Jesus Christ was against sin. But He was against it by virtue of the fact that He was for holiness. "Thou hast loved righteousness, and hated iniquity." It would be an encouragement to see Christian men and women today who were against evil just because they were so much for Christ.

JUNIORS AT FIRST BAPTIST SERVICE

Let Others See Jesus in You", the program in general assembly Sunday morning, concluded the study of "Making Our Homes Happy" in the Junior Department. The Scripture portion in Proverbs, a book of the Bible giving the wise sayings and good rules which King Solomon gave to his people, gave many rules for keeping a truly happy home. The juniors saw in Proverbs 17:22 a rule for having a merry heart; in Proverbs 3:3 a rule to be kind and honest. Proverbs 11:3 a rule not to be a tattletale; Proverbs 14:5 a rule to be truthful; and Proverbs 15:1 a rule suggested it does not lose your temper, and speak kindly even when things go wrong. Juniors added to these rules of prayer, attending church, reading the Bible and attending Sunday School. Usher for the morning was Gary Norcross. The weekly banner again went to Mr. Waddell's class of 10 year old boys. Second with the highest

A Hymn Is Born

BY CLINT BONNER

When The Roll Is Called Up Yonder

A little girl fails to answer when her name is called

James M. Black walked along the streets of his native Williamsport, Pa., with a heavy heart. He had never failed before to answer roll call at Sunday School. Black knew because he called the roll himself. But when Besie didn't answer that morning he called her name a second time. Still she failed to answer and he knew something was wrong. Then somebody said Besie had been suddenly taken ill and doctors held little hope for her.

To Social Worker James Black, Besie was more than just another recruit for his Sunday School class and young peoples' society. She lived on the other side of the world. She was called before the turn of the century "The Sawdust City." Black had found her one day sitting on the broken down steps of a broken down house. Of course she would come to Sunday School. She would be ragged, old-fashioned and said maybe she couldn't come after all.

When the trumpet of the Lord shall sound, and time shall be no more. And the morning breaks, eternal, bright and fair. When the sowed of earth shall gather in, and the harvest shall be no more. On that bright and cloudless morning, when the dead in Christ shall rise, And the glory of His resurrection show.
